

November 2020

ARC: A Navigation model that aims to optimize equitable access to health enabling resources for individuals with COVID-19 related needs in the Merrickville-Wolford and North Dundas regions.

ARC Navigation COVID-19 Partner Newsletter

A recent article states that Ontarians **do not know where to find** needed resources during the COVID-19 pandemic.

HOW CAN THE ARC NAVIGATOR HELP YOUR CLIENTS?

- Meet with individuals to understand their needs
- Identify appropriate community resources
- Provide support to overcome barriers to access resources such as:

Mental health services

Financial programs

Services for domestic violence

Services for social support

Food security

AND MORE!

YOU CAN HELP US BY PROMOTING AWARENESS OF THIS FREE SERVICE TO YOUR CLIENTS, COLLEAGUES, FRIENDS AND FAMILY!

Thank you to our partners, primary care practices, schools, pharmacies, local businesses, libraries, food banks, clubs, retirement homes, local services, and daycares.

Novembre 2020

ARC: Un modèle de navigation qui vise à optimiser l'accès équitable aux ressources dans la communauté pour les individus ayant des besoins liés à la COVID-19 dans les régions de Merrickville-Wolford et North Dundas.

Navigation ARC pour la COVID-19 Infolettre pour nos partenaires

Un article récent indique que les Ontariennes et Ontariens **ne savent pas où trouver** les ressources nécessaires pendant la pandémie de la COVID-19.

LIENS: <https://www.thestar.com/news/canada/2020/10/13/ontarians-unclear-on-how-to-access-social-support-during-pandemic-survey-finds.html>

COMMENT L'INTERVENANT ARC PEUT-IL AIDER VOS CLIENTS?

- *Rencontre les individus pour comprendre leurs besoins*
- *Identifie les ressources communautaires appropriées*
- *Fournit un soutien pour surmonter les obstacles à l'accès aux ressources telles que:*

Services pour la santé mentale

Programmes financiers

Services pour la violence conjugale

Services de soutien social

La sécurité alimentaire

Merci à nos partenaires, cabinets médicaux, écoles, pharmacies, entreprises locales, bibliothèques, banques alimentaires, clubs, maisons de retraite, services locaux et garderies.
